# Who is your mentor and why?

With over a decade of hands-on experience in both Forex and Options trading, I've seen beginners struggle and professionals succeed. That's why I've designed this 5-day course to simplify trading for you—no fluff, just proven strategies, mindset training, and real-world techniques that actually work. Whether you're starting fresh or tired of inconsistent results, I'll guide you step-by-step to build the skills and confidence you need to trade like a pro.

**Manjeet Singh | 10+ Years**

”

I had zero experience in trading, but the way the teacher explained concepts was so simple and practical. In just 5 days, I learned how to confidently place trades and manage risks!

— Priya M. – Marketing Executive

”

This course changed my perspective on money and markets. The weekend format was perfect for my schedule, and the live examples made it super easy to understand.

— Rohit S. – College Student

”

I always thought trading was only for finance people, but this course proved me wrong. I now use the strategies daily and even made my first profit last week!

— Meena T. – Homemaker

”

I've tried YouTube videos and other courses, but nothing compares to this one. The expert guidance, psychology training, and AI tools made everything click.

— Arjun V. – IT Professional

”

This is not just a trading course, it's a mindset shift. The teacher's 10+ years of experience really shows. I now have a system that works for both Forex and Options.

— Sahil K. – Freelance Designer

”

Highly recommend this course! It gave me the confidence to trade smartly. I loved the weekend-only format—it didn't interrupt my work life at all.

— Ritu P. – Entrepreneur
